

The KIWANIS CLUB OF MT JULIET invites you to

Help us spread the patriotic spirit in WILSON County and the City of Mt Juliet!

When you sign up for our flag program, we will insert a plastic sleeve in your front yard, your business yard and/or the yard for a friend or relative. No brackets or fixtures are attached to your building. On each of the five listed Holidays, we will set a 3' x 5' flag on a 10' pole in the sleeve. We will set out the flag by the Holiday day, pick it up after the Holiday and store it for you. You get to enjoy being part of a neighborhood filled with patriotic color.

The flags will be set out by our volunteer members for the following Holidays and/or Holiday weekends:

Memorial Day Flag Day Independence Day Labor Day thru 9/11 Veterans Day
(weather permitting)

You can participate in the Kiwanis Flag Project for only \$50 per year per flag. The proceeds of the Flag Project will be used to support Kiwanis' many local and international good works, especially for young children and youth.

If you would like to know more about Kiwanis, or have questions about the Kiwanis Flag project, please email kiwanisclubofmtjuliet@gmail.com or visit us on facebook at www.facebook.com/pg/Kiwanis-Club-of-Mt-Juliet

The flags remain the property of the Kiwanis Club of Mt Juliet and are installed within our service territory. Currently this program is available to Mt Juliet residents and businesses only. Plastic Sleeves will be inserted 10' off your curb and 10' off your driveway and will avoid obstacles (i.e. trees). Kiwanis Club of Mt. Juliet is not responsible for irrigation lines. Sleeves may be inserted in your yard without homeowner/business owner being present.

Please detach and return this portion with payment to :

Kiwanis Club of Mt Juliet, 1777 Tate Lane, Mt Juliet, TN 37122

Keep the top portion for your records. Contributions or gifts are not a charitable tax-deduction at this time. Thank You!

Yes, we want to participate in the Kiwanis Flag Project. It is the property owner's responsibility to advise the Kiwanis Club on the placement of the plastic sleeve to avoid owner installed underground facilities (i.e. sprinklers, utilities, ...).
